

The Belfast City Mission has been a part of the community in Shore Crescent and the surrounding area along the Shore Road for over 60 years now.

A lot has changed over that time, but our mission remains the same; to reveal Jesus, to advance God's Kingdom and to share the Gospel of Christ.

Whether you know of us from our children's activities, our mid-week or Sunday services, or as a visitor at one of our special events we would like to take this opportunity to openly invite you, your family and your friends along to one of our meetings or events. We'd love to see you come along and join with us as part of the local community. You would be made very welcome at any of our 'all age' services.

Our Missionary is here for you.....

If you need to talk to someone, our full time missionary has experience in visiting the sick, sharing with the bereaved and helping those in need.

Please do get in touch if you or someone you know of could use our help.
