PRAYER UPDATE OF BELFAST CITY MISSION

Dear Friends

They say the older you get the quicker the time goes and so at the age I've reached I cannot believe we are right at the commencement of another winters work in Belfast City Mission when it only feels like a couple of months since last winter.

For all of our Missionaries, volunteers, Sunday school teachers and Youth Leaders the summer days of rest and relaxation are over and they are up ready and raring to go again in their specific tasks to win souls for our Saviour Jesus Christ.

Much has been accomplished over the summer months with many of our halls holding good news clubs, fun days, and leisure activities for the children with the central theme of Christ. Summer outreach on the doors of our districts, B.B. and G.B. camps are now in the past were the good seed of the gospel has been sown into young hearts and we pray that through these efforts many will come to faith in the Lord Jesus.

Please find within this little brochure fuel for prayer praying that Almighty God will ignite these prayers with answers from on high.

Thank you for your faithful and continual support for our work here in our capital city which sadly like many other capitals in the U.K. are so removed from God in this present day.

Yours in Christ,
Bobi Brown, Executive Secretary

Belfast City Mission 2019 Annual Toy Appeal

Pray for the Belfast City Mission 2019 Annual Toy Appeal as we help families out in our 16 districts who struggle at that time of the year. This is a great bridge builder with people that we donate to as we show our Christian love in a very practical way.

This year's details are as follows...Gifts and Toys and non-perishable foodstuffs can be delivered to Glencairn City Mission Hall Forthriver Road BT13 3US on Mon 2nd to Wed 4th Dec 10.00am -2.00pm then the following week Mon 9th to Wed 11th Dec. EARLY RETIREMENT

It is with a heavy heart that we announce the early retirement of Billy McCullagh, Missionary in Island Street hall for the past 20 years due to failing health. Billy has been through so much

in recent days especially with the home call of his dear wife Elizabeth two and a half years ago on top of his worsening sight and diabetes conditions among other things. The people of the Hall will miss Billy so much as will the people of the Island Street district with whom he has made a tremendous impact and formed a powerful relationship. We would value your prayers for Billy in these difficult times for him and his faithful congregation.
